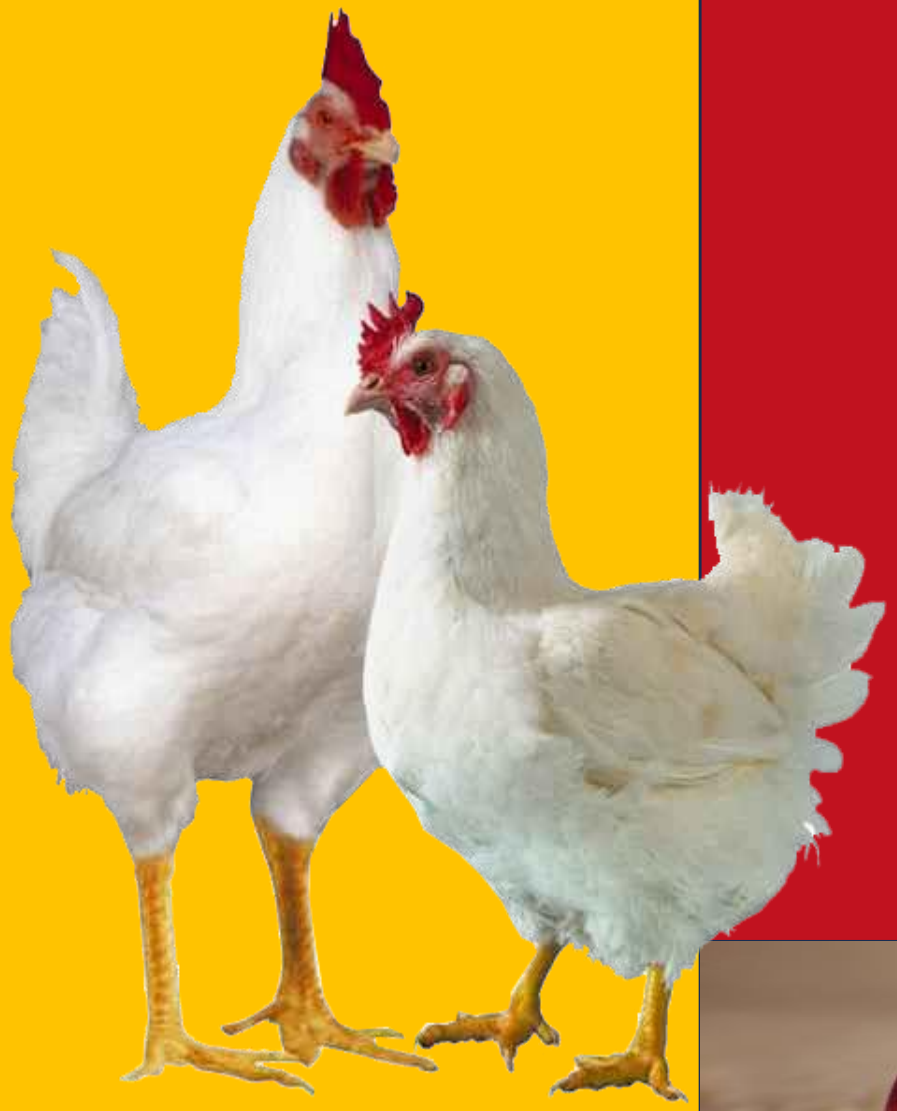
ATTILA CHICKEN

BRANDING MANUAL

Attila

Premium Quality Chicken



Introduction

Attila Chicken House is a premium poultry brand committed to providing **fresh, high-quality, hygienic, and ethically raised chicken products** to households, restaurants, supermarkets, and institutional buyers.

The brand stands for:

- Quality
- Trust
- Freshness
- Consistency
- Innovation in poultry production

Our branding ensures that every interaction with customers (online or offline) communicates reliability, professionalism, and premium food quality.

Brand Purpose

Mission
To deliver high-quality, safe, and affordable chicken products while building a trusted poultry brand that serves families, restaurants, and retailers.

Vision
To become a leading poultry brand in East Africa known for quality, trust, and customer satisfaction.

Core Values

Quality First
Every product must meet the highest food safety and freshness standards.

Integrity
Transparency in production, pricing, and delivery.

Customer Focus
Our customers (families, chefs, and retailers) are at the center of everything we do.

Consistency
Customers should receive the same high quality every time.

Innovation
Continuously improving poultry farming, processing, and delivery systems.

Brand Personality

Attila Chicken communicates in a way that is:

Friendly
Approachable and relatable.

Confident
We are proud of our product quality.

Reliable
Customers should feel secure buying from us.

Professional
We speak as a trusted food brand.

ATTILA VOICE AND TONE

The brand voice determines **how Attila Chicken communicates across marketing, packaging, and social media.**

Our Voice

Our voice is:

- Clear
- Honest
- Friendly
- Informative

We want customers to **feel confident about the quality of our chicken products.**

Tone Guidelines

1. Customer First
Always communicate with the **customer's needs in mind**.

Focus on:
- freshness
- quality
- value
- Convenience

Example:
✓ Good
"Fresh chicken delivered to your kitchen."
✕ Avoid
"We provide poultry distribution services."

Tone Guidelines

2. Simple Language

Use **clear and simple language**.

✓ Good

"Farm fresh chicken for your family."

✕ Avoid

"Premium poultry protein solutions.“

3. Friendly but Professional

We maintain a balance between:

- warmth
- professionalism

Example:

✓ Good

"Perfect chicken for your Sunday family meal."

✕ Avoid

Overly technical language.

Tone Guidelines

4. Honest Communication

Be transparent about:

- sourcing
- freshness
- hygiene

Customers must trust the brand.

Brand visual identity

The brand visual identity includes:

- Logo
- Colors
- Typography
- Photography
- Iconography
- Packaging
- Video and animation

These elements must always be used consistently.

Logo Guidelines

The Attila Chicken logo represents:

- Strength
- Quality
- Freshness
- Poultry expertise

Correct Usage

Always:

- Use the **official approved logo**
- Maintain correct **proportions**
- Use the **official brand colors**
- Ensure the logo remains **clear and visible**

Incorrect Usage

Do NOT:

- Stretch the logo
- Rotate the logo
- Change colors
- Add shadows or effects
- Place the logo on cluttered backgrounds

Colors

Attila Chicken colors should represent:

- freshness
- food quality
- appetite appeal
- trust

Primary Colors

Chicken Gold (#FFC300)
Farm Red (#C1121F)
Fresh White (#FFFFFF)
Natural Black (#000000)
Warm Golden-Yellow (#FCCC32)

Secondary Colors

Leaf Green (#2E7D32)
Warm Orange (#FF6D19)

These may be used for:

- highlights
- packaging
- promotional materials

TYPOGRAPHY

Typography ensures consistency in all communications.

Primary Font

Montserrat

Used for:

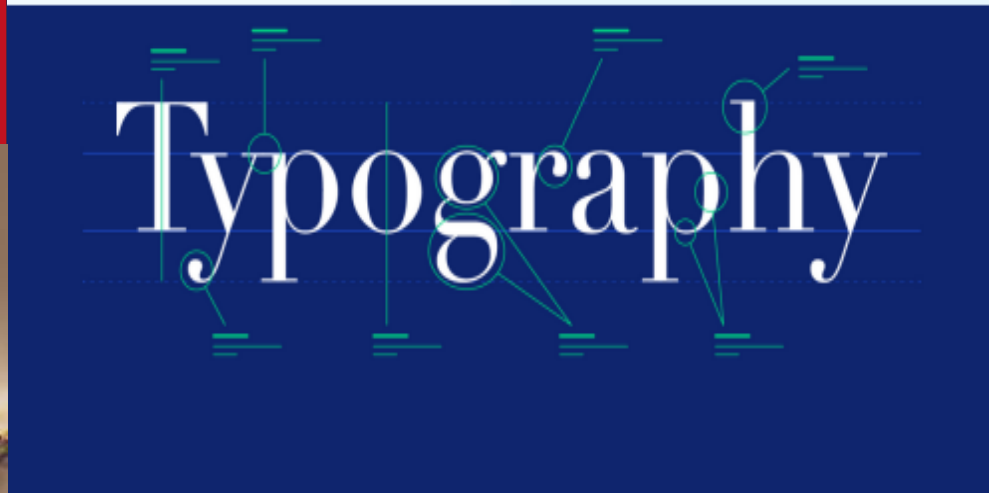
- headlines
- marketing materials
- Packaging

Secondary Font

Open Sans

Used for:

- body text
- website content
- documents



Photography Style

Photography must represent:

- Freshness
- Real Food
- Authenticity
- Cleanliness

Photography Guidelines

Images should:

✓ Show fresh chicken products
✓ Show families enjoying meals
✓ Show chefs cooking
✓ Show clean preparation environments

Avoid

✕ Artificial looking stock photos
✕ Unhygienic environments
✕ Competitor brands in the background
✕ Competitor/unlicensed watermarked photos

ILLUSTRATION

Illustrations Should Be Used To:

- Explain Processes
- Show Poultry Products
- Support Marketing Campaigns

Illustration Rules
Use:

- Simple Shapes
- Brand Colors
- Minimal Detail

Avoid:

- Overly Complex Designs
- Excessive Colors

ICONOGRAPHY

Icons Help Simplify Communication.

Icons Should Represent:

- Delivery
- Fresh Chicken
- Farm Production
- Cooking
- Packaging

Icons Should Be:

- Simple
- Minimal
- Easy To Recognize

ANIMATION / VIDEO

Video content is important for:

- marketing
- storytelling
- customer education

Video Content Ideas

Examples include:

- Farm-to-table journey
- Chicken preparation tips
- Customer testimonials
- Restaurant partnerships
- Behind-the-scenes poultry farming

Packaging Guidelines

Packaging Guidelines

Packaging should communicate:

- freshness
- hygiene
- Professionalism

Packaging should include:

- Attila Chicken logo
- product name
- weight
- packaging date
- expiry date
- storage instructions

Brand Applications

Attila Chicken branding should appear consistently across:

- Packaging
- Social media
- Website
- Delivery vehicles
- Staff uniforms
- Restaurant partnerships
- Advertising materials

FOCUS ON THE USER

Consider where your photo will appear, and relevant. Not stale

BUILD FOR EVERYONE

Consider the diversity of our audience and production from setting to casting to styling

Social Media Branding

Social media branding

All social media content should maintain:

- Consistent colors
- Logo placement
- Brand voice

Platforms include:

✓ Facebook
✓ Instagram
✓ Linkedin
✓ Tiktok
✓ Youtube

Brand Consistency

Consistency builds trust.

Every employee, partner, and marketing partner must follow this brand manual when creating:

- ✓ Marketing Materials
- ✓ Advertisements
- ✓ Packaging
- ✓ Digital Content

Brand Ownership

All branding assets are owned by **Attila Chicken House**.

Only approved brand materials should be used in marketing and communications.
